Unexpected Situations

In cases of force majeure if we need to stay longer than the agreed time, or if your cat needs to be taken to a veterinary clinic:

- A staying fee of 4,000 HUF applies for each extra started hour.
- All veterinary expenses (transport/taxi, medication) are billed to the client.

Daily check-ins in the comfort of your cat's own home - feeding, fresh water, litter, play, and plenty of cuddles. Their routine is maintained.

Thank you for trusting us with your best friend.
